- Internal Networks
- Radio Circuits

La carte originale des réseaux de la SCTT a été préparée par le Bureau de dessin, division administrative, Service de l'Ingénierie.

Publiée par le Service des Relations publiques (Juin 1974).

The original Map of the COTC networks was prepared by the Drafting Office, Administration Division, Engineering Department.

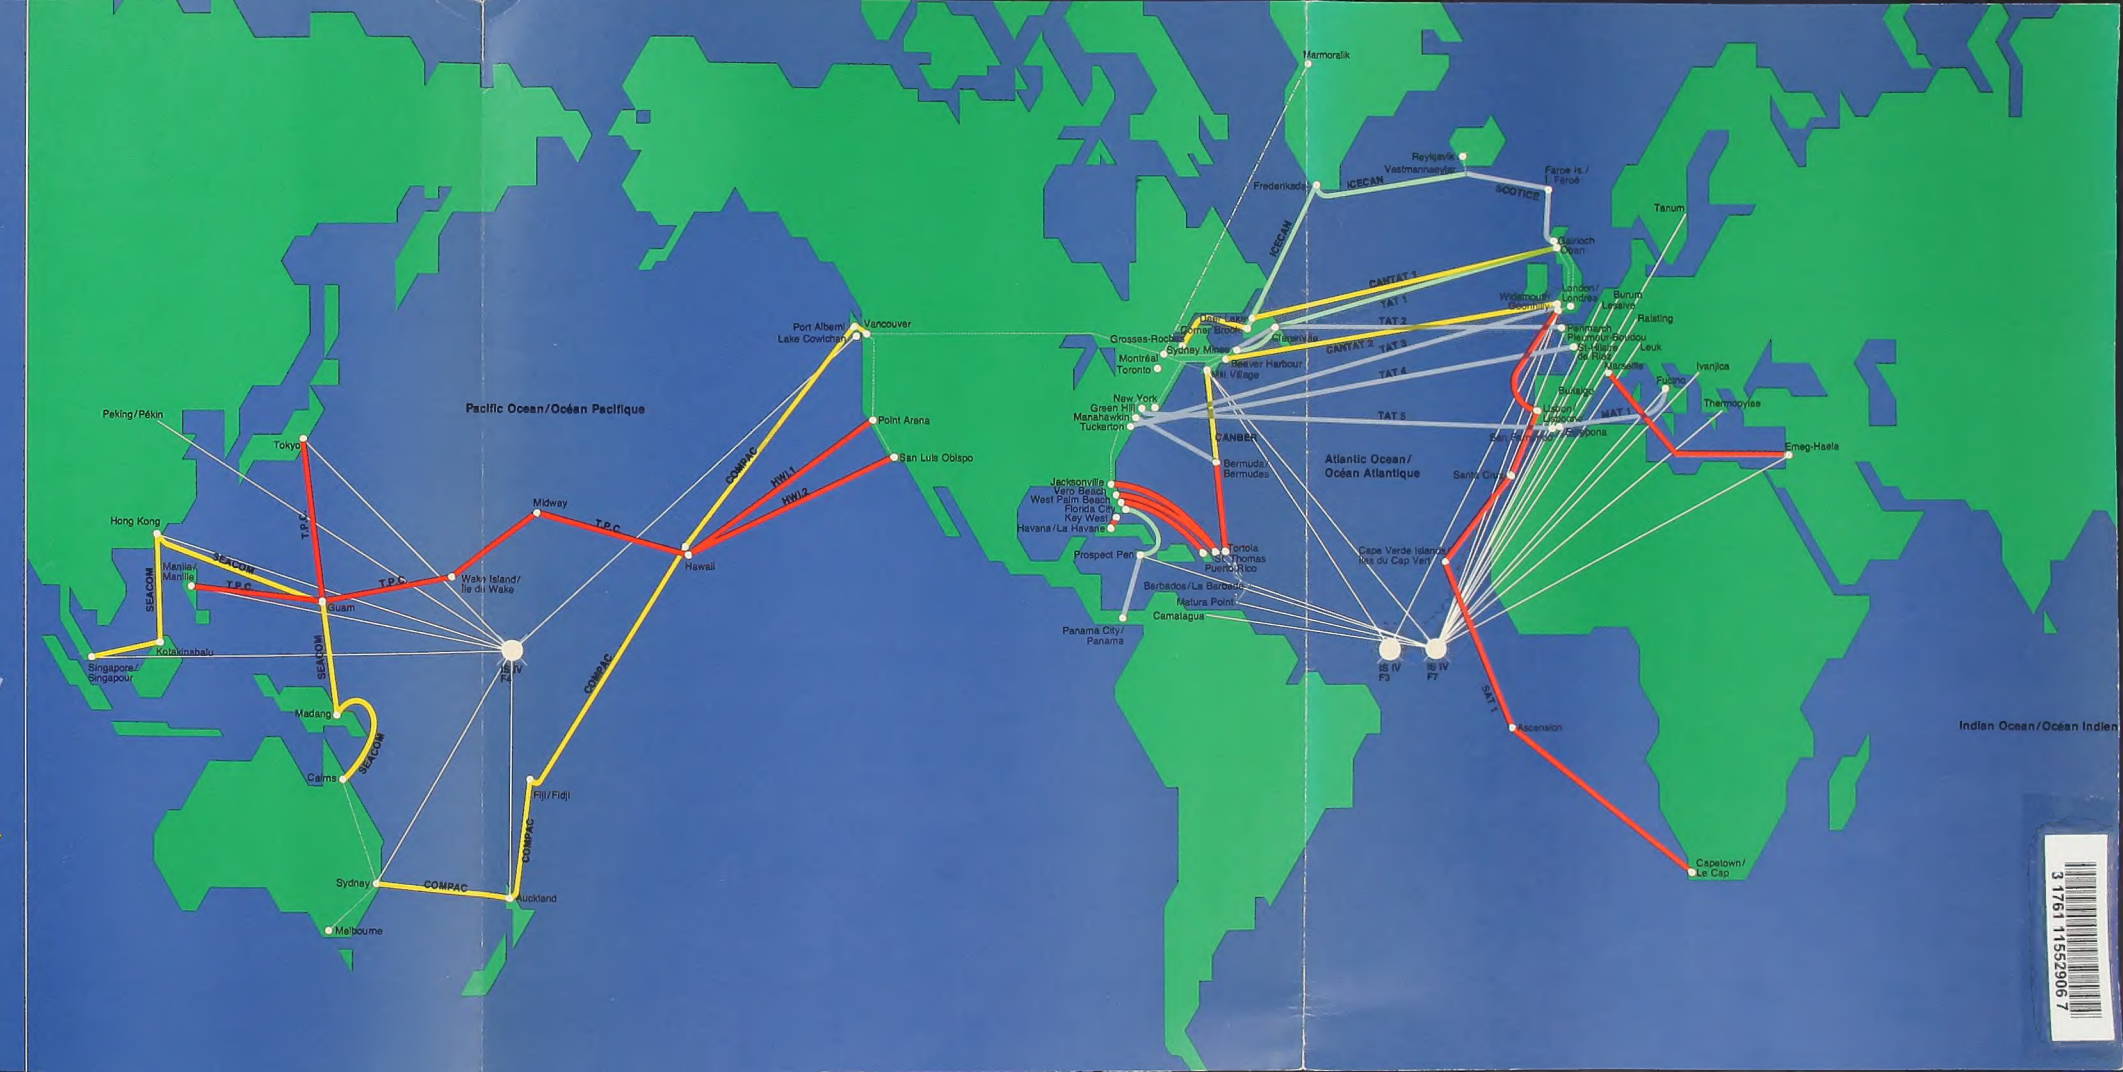

Published by the Public Relations Department (June 1974)

Légende: Réseau canadien

Station	Station SCTT
	Station terminale de câbles sous-marins
	Station de réception radio
	Station de transmission radio
	Station terrestre
	Cabine de raccordement
	Dépôt de câbles
	Station terminale transocéanique
	Centres de commutation
	Réseaux internes
	CCGS John Cabot

Legend: Canadian Network

Station	COTC Station
